6. Dyslexia – This is a two-hour training. Additional time will be provided during the school year to accommodate this additional mandate.

Please Print Your Certificate and Maintain Your Records in the Professional Development Hours Report located in your PDP in Eduphoria

- Please note that the Global Compliance Network Cyber Bullying tutorial states that “bullying” occurs only after a pattern of bullying behavior has been established.

The Anti-Bullying Bill of Rights passed by Governor Chris Christie instructs us to report a bullying incident even if it is a single incident.

Our district investigates, responds to, reports, and remediates all bullying incidents reported to us.

OUR FOCUS: Promote Positive Behavior
